

CANBERRA ALPINE CLUB

SKI DEVELOPMENT PROGRAM APPLICATION

This form is used to notify the CAC Snowsports sub-committee that you intend to apply for competition level ski development assistance at the end of the season. This is to allow the sub-committee to estimate budget requirements during the season.

This form must be submitted to the Snowsports sub-committee before the start of the ski season in the year for which the application is being made. Late applications may be accepted at the discretion of the sub-committee.

Forms are to be submitted to:

Snowsports Sub-Committee
Canberra Alpine Club
GPO Box 27
Canberra ACT 2601

or send completed form via email to snowsports@cac.org.au

Please note:

By submitting this form, you acknowledge that in order to receive ski development funding you are required to:

- Have read and understood the current ski development guidelines.
- Complete a Ski Development Acquittal form at the end of the season.
- Provide an article for Frozen Acres prior to funding acquittal.
- Where requested and practicable, compete for CAC in inter-club events.
- Where possible, participate in or assist at club events.

If your intended program is not an “off the shelf” training program with a publically available overview, you will need to provide details of your intended training program. This should include who is providing the training, their qualifications, the objectives of the training, and details of the expected on-snow and off-snow training schedule.

If you are undertaking a ski development program you may also be eligible for early confirmation of extra Saturday night accommodation. This is not included in this application. Please see the early confirmation guidelines for information on applying for this.
